Dear Parent

## Under 18s playing in Senior Teams – Changing Rooms

In line with ECB guidelines we will where possible ensure that junior players (all those under 18) who are playing for Sevenoaks Vine Cricket Club in a senior team will not change or shower with the rest of the Senior team.

There will be occasions when this is not possible and we ask for your written consent for your child to share facilities in these circumstances.

For your information the ECB guidelines are as follows:

- Adults must not change or shower at the same time using the same facility as children
- Adults should try and change at separate times to children during matches e.g. when padding up.
- If adults and children need to share a changing facility the club must have consent from parents that their child(ren) can share a changing room with adults in the club
- If children play for Adult Teams, they and their parents must be informed of the club's policy on changing arrangements.
- Mixed gender teams must have access to separate male and female changing rooms.
- Mobile phones must not be used in changing rooms.

If you are happy to give your consent, please complete, sign and date the details below and return with your membership form.

If you have any concerns with the Club's policy please do not hesitate to contact me
